Subject: HUD-9902 FY12; 1Qtr Submission Extension

Housing Counseling Agencies,

The deadline for FY12, 1st Quarter submission for HUD-9902 reports for 'on-time' credit is extended to 13 Feb 12. Agencies submitting their required 9902 reports for the 1st Qtr, FY12 **after** 13 Feb 12 will be credited for 'Late' submission.

All agencies are required to submit their HUD-9902 electronically using their selected CMS. Agencies experiencing problems using their CMS must manually input their HUD-9902 data directly in HCS, as was done previously.
